

March 2023 Newsletter

Natural Gas Rebate Program: The program is in place to help Albertans manage higher heating costs due to volatile natural gas prices to shield consumers from price spikes. **The energy rebate program came into effect October 2022.**

Update: *As part of the Affordability Action Plan, the Natural Gas Rebate program will be extended beyond its current March 30, 2023 end date. Details will be announced in the new year once regulations are tabled.* For more details, click on the Alberta website for Affordability at

Staff Update - cont.

Retirement

At the end of April, we will be losing a very valuable component of our Co-op Team. Dennis Semenyna will be embracing retirement to spend quality time with his wife Lois, children and grandchildren. Dennis, you have always given the best in every project you do. Congratulations, happy retirement and enjoy the adventurous road ahead.

2023 AGM Update

The AGM will be held **May 10, 2023** at the Gas Co-op office located at 4402 54 Ave. Rimbey at 7:00pm.

See Page 2 for Full Details & Director Nominations

Office Addition Update

Target completion for the interior building addition is scheduled for the end of the 1st quarter 2023.

Completion of the exterior work will commence once weather is favorable.

New Change to Your Gas Bill

In future, your bill will indicate an actual read vs.. an estimated read.

A - Actual

C - Actual read by the Co-op

E - Estimate
